

REMARKS

This preliminary amendment is being filed concurrently with Applicants' application FE 6000 (US), for which a serial number has not yet been assigned.

The specification has been amended to insert a reference to the corresponding International Application and to correct obvious errors. Claims 1-10 have been amended to put them in better form. Support for the amendment to claim 8 can be found at page 3, line 17 of the specification. No new matter has been added by these amendments and they do not affect the scope of the claims as originally filed.

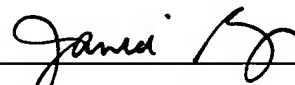

It is not believed that any fee is required for entry and consideration of this Amendment; nevertheless, the Commissioner is hereby authorized to charge U.S. PTO Deposit Account 08-2336 in the amount of any such required fee.

Respectfully submitted,
